

- **Thesis should:**
 - be the LAST sentence of intro paragraph.
 - Be a complex, compound sentence that answers **ALL parts of prompt**
- **Body paragraphs should:**
 - Start with a **TOPIC SENTENCE** that tells me **WHICH PART OF THESIS** will be addressed in this paragraph
 - End with a **concluding sentence** that both wraps up AND transitions into next paragraph
- **Evidence should:**
 - Be **embedded** into your own writing
 - Include **CONTEXT** necessary for a reader to understand the who/what/where of the quote
 - Be **cited** correctly
- **Analysis should:**
 - **START** by breaking down the language of the **quote** -- which **KEYWORDS** lead you to choose that quote and what are they saying
 - **THEN** should clearly **explain how** that quote **relates** back to your **TOPIC SENTENCE** and your **THESIS** statement (theme!!)
