

### ***Grendel* - Group Philosophy Research**

In order to understand the philosophical framework of *Grendel*, you will form a group and research ONE of the topics below.

- Nihilism
  - Existentialism
  - Solipsism
  - Jungian Archetypes
  - Postmodernism (as a literary genre)
1. Make sure your group explores several (3+) reliable (.edu, etc.) sites. Must be able to prove credibility.
  2. For every source, hand write a half-page summary (this can be in bullet points) that addresses the main points of your philosophy.
    - Provide **at least two** quotes (per source) that contain key words or ideas for understanding your philosophy further.
    - Be sure to create an MLA 8 citation for the website on which you found the information!!
  3. Tomorrow, you will take notes on how your philosophy is presented in *Grendel* and answer the following questions:
    - a. How do the ideas of the Dragon and of Grendel in **chapter 5** connect to your philosophy? **Find at least 4 quotes from Chapter 5** that support specific elements of your philosophy.
    - b. **Explain** how each quote connects in **2-3 sentences**.
    - c. How are points from your philosophy connected to the ideas of Grendel in any of the chapters?
